Marcinelle, 3rd january 2019.

Dear friend,

In the past , you had given us some fishes for our « Special fishes's Auction » on saturday. As you already know, the AKFB organizes again a Congress with show this year and a special Killifishes's sale at the AKFB profit on saturday.

As last year, we hope that you will be able to provide us with fishes for this special auction. For these fishes, we can pay you, max 10€ a pair.
We hope you will be able to agree.

- If you are coming at our Congress it's possible for you to come with the fishes on Saturday 30 March 2019.
- If you are unable to come :
- It's possible for you to give the fishes to a friend who is coming
 - It's also possible to give me the fishes in Neuss on 9 march 2019.

We hope a favorable answer at our request
and say you :

A lot of thanks and all the best,

Fort he AKFB
JP Vandersmissen
Chairman

PS: Is it possible you announce your fishes to myself to prepare a lisy who will be published on the web-site of the AKFB (www.akfb.be) from 15 march 2019.
